**Environmental Assessment**  
**DOI-BLM-UT-Y010-2017-0240-EA**

Based on the analysis of potential environmental impacts contained in the Environmental Assessment (EA) DOI-BLM-UT-Y010-2017-0240-EA for the March 2018 Competitive Oil and Gas Lease Sale, and considering the significance criteria in 40 CFR 1508.27, I have determined that with applicable mitigation measures, the Proposed Action would not result in significant impacts on the human environment. An environmental impact statement is therefore not required.

The decision to approve or deny the above Proposed Action, and if appropriate, a signed FONSI with rationale, will be released after consideration of public comments and completion of the EA.
